Extra-Curricular Clubs 2026-2027

We are delighted to offer a wide range of extra-curricular clubs for our pupils this year. In addition to these, the PE team provides a variety of sports and physical activity clubs to encourage fitness, team games and competitions. There are also Pupil Leadership roles which children can put themselves forward for at the start of each academic year.

Teachers will distribute letters only to children who express an interest in a specific club, rather than sending them to all pupils each half term. For this reason, it is important that you talk to your children about which clubs they might like to attend. These letters will include detailed information about the club, including exact dates and times.

We aim to allocate places as fairly as possible so that every child has the opportunity to attend at least one club each year. However, please note that our clubs are always popular and uptake is high.

We hope our extra-curricular offer reflects the commitment of our teachers to the personal development of pupils at Leasowes.

What Club?	Teacher	Who?	When?	Collection Time	Collection Location
