

Together we learn. Together we grow.

Dear Parents,

Wow! What a busy couple of weeks we have had at Leasowes. Let me start by saying a huge thank you to all of the generous families in our Leasowes community. During one of our whole school assemblies, Mr Coombs launched T4U - Give Love in a Box. This project is aimed at providing children from countries affected by poverty and war with a box of presents to open on Christmas Day. Our shoeboxes were loaded onto the truck at school on Monday of this week and I am thrilled to inform you that we collected 193 in total. This is absolutely fantastic and once again we are making a real difference to the lives of children around the world. Thank you.

After our hugely successful Harvest celebrations, we donated our food to 'House of Bread' and our very own 'Imani's Incredible Eats'. Imani has been so successful in her drive to provide community fridges that she was nominated, and subsequently won 'Inspirational under 18' in the Community Awards for Stafford. This is an amazing achievement for anyone, let alone someone so young. Please see the photographs below of Imani receiving her award and our donated food that filled both the cupboard and the fridge. We are very proud of you Imani.

This week is the last of our Learning Conferences for this term. SLT have once again been looking at strength and consistency of teaching and learning in our school. KS1 welcomed us into their classrooms demonstrating their love for learning. The learning buzz across the phase was just inspiring and the staff and children should feel very proud of their ongoing drive to be the very best that they can be. We joined in lessons, listened to children read and discussed learning with the children. The stimulating environments were a joy to be a part of.

As always, if you have a query about your child, the best person to initially contact is the class teacher. If you feel you need to speak to someone more senior, please contact the phase leaders. The phase leaders know their departments well and share information at Senior Leadership Meetings with Mr Coombs and myself.

Thank you for your ongoing support.

Mrs Bettany
Headteacher

Well Done Imani!

Leasowes Community - Demonstrating
our Love in a Box

Together we learn. Together we grow.

PTFA Christmas Fayre

Join us tonight for our annual Christmas Fayre. There will be fun, games, food, music and the chance to win some amazing prizes. Let's get into the spirit!

Viking Assembly

Year 4 entertained parents with an incredible Viking Assembly. The performance was a celebration of the outstanding learning which has taken place during topic lessons and through cross-curricular links. Parents were entertained with fascinating facts, drama and singing. Pupils produced a performance worthy of the West End, making their parents and teachers proud!

Mrs Davies - Proud Phase Leader

Wow! I am over the moon with all of the contributions for the Science Vision competition - we will choose our winners next week. This week's Curiosity Corner prompt is inspired by a child in Y3. Keep up the great work!

Miss Reeves

Sudbury Hall

On Wednesday 14th November, Year One visited Sudbury Hall and the Museum of Childhood. We had a fantastic day learning about old toys and the materials that they were made from. We had the opportunity to play with toys from the past and learn about their history. It was a day to remember!

Thank you to all who supported.

Mrs Croton

Condover Hall 12.11.18 - 16.11.18

Last week, Year 6 showed this half-term's value of courage in action as they visited Condover Hall. Across the week, children participated in a range of exciting activities: they acted like spies in Laser Mazes, channelled their inner warriors in a game of Archery Tag, collaborated to build huge buggies to race and tackled the dizzying heights of the Ariel Trek and the Trapeze, among others! Every single child represented Leasowes impeccably, and all came back proud of what they had achieved. It was an experience not to be forgotten, although a good long sleep was certainly needed by the weekend. Thank you to the staff who gave up their own family time to make this week happen.
