Summer Book Challenge

You may have come across the recent phenomenon - **#bookface** - on the internet. As a school, we would like to engage with this and are setting families a **summer holiday challenge**. We would like you to be as adventurous as possible with the **#bookface** challenge and tweet your images (throughout the summer holidays) to [@LeasowesPrimary](#) using the hashtags **#bookface** and **#loveofreading**

any images tweeted may be used in a reading display in September.
