

Leasowes Primary School

Reception Newsletter

Week beginning:

07/10/19

This week we will be reading the story:

The Enormous Turnip

This week we will be:

- Retelling the story of The Enormous Turnip
- Finding out different ways that we can make 5.
- Learning some Harvest songs
- Exploring a range of vegetables.

Please bring to school:

- Book bags **everyday**.
- A water bottle **every day**.

Vegetable request:

To help us explore a range of vegetables, we would be grateful if each child could bring a vegetable to school to put in our investigation area. It would be great to see some unusual vegetables but it could also be a carrot or floret or 2 of cauliflower. Thank you.

Other Information:

- We have shared the NSPCC Underwear Rule with the children in school. Please visit <https://www.nspcc.org.uk/preventing-abuse/keeping-children-safe/underwear-rule/> if you would like further information.
- We will be reading individually with your child each week. Please keep reading books and diaries in book bags every day as their reading sessions will vary each week.

A reminder:

As autumn is upon us and the temperature is dropping, please ensure your child comes to school with a coat each day. Much of our learning takes place outdoors so we want to make sure your child is suitably dressed in any weather.
