Drop-off arrangements

Now your child is used to our routines, please try to encourage your child to be independent in the morning and leave them at the door. Staff will be there to help where necessary.

A reminder:

Your child's phonics homework has been sent home. Please complete this in their phonics homework book. We're so impressed with the children's phonics progress!

Please share your child's reading book with them at home and sign their diaries when complete. Your child's books will only be changed if we can see that they have read them at home.
