

Leasowes Primary School

Reception Newsletter

Week beginning:

13/1/20

This week we will be learning about

Pets

This week we will be:

- Finding out about pets and how we care for them
- Writing descriptions of pets
- Painting pet pictures
- Making sensible estimates of how many things are in a set
- Adding two set of objects (single-digits only)
- Making pet shelters

Other Information:

This week we are thinking about PETS and we would love to hear about pets that your children have at home and how they take care of them. We would also like to make a display of our pets if you are happy to send in photographs. Please write names of the back of them so we can return them to the correct person.

We will also be making pet shelters. If you have any large cardboard boxes that you no longer require, we would be happy to receive these for our constructions. Thank you! 😊

Please bring to school:

- Book bags **every day (including reading diaries and books).**
- Water bottles **every day.**
- Please also ensure children have suitable clothing for outdoor play (warm coats hats, gloves etc.) and that all items are named.

Dates for your diary:

Parents Evening: **Wednesday 12th and Thursday 13th February**
