Walking Home Independently

Dear Parents,

If you wish your child to walk home by themselves at the end of the school day, this is something that we are happy to accommodate for the upper key stage two children as we believe that this helps with their transition to high school. This does include for children who have arranged to meet parents at a half way point. However, it is important that the school is aware of this beforehand and would therefore request that you fill in the attached slip for your child to hand in to their teachers.

If you wish to give permission for your child to walk home independently, it is on the understanding that when released at the end of the day, they become the parent's responsibility rather than the school's.

Kind regards,

Mr Coombs
