

Dear parents/carers,

Following our work on the Victorian Era, Year 5 will be taking part in a Victorian classroom experience. Children are invited to come to school on **Monday 23rd October 2023** dressed as a Victorian child - with a steam punk element if they wish.

During the day, the children will experience what it was like under the rule of a strict Victorian teacher and the expectations of the classroom at the time. As part of the day, we would like to show the film 'Enola Holmes' in order to give further insight into Victorian life, comparing and contrasting Enola's strong female character to that of Lily Hartman from our class text, Cogheart.

The film is classified as a '12' by the bbfc, however, in line with the IMDB website, we feel that it is appropriate for a Year 5 audience to watch with parental permission. You may wish to find the 'Parents guide' on the IMDB website to inform your decision.

To reduce the need to send letters we will also be asking for permissions to watch Harry Potter in the Summer term which is classed as a PG. Again, this supports the learning that children will complete during the summer term and follows up on the educational visit to Warner Bros studios.

We look forward to, what promises to be, a day to remember.

Thank you for your continuing support.

Year 5 Teachers

I give permission for my child _____ to watch 'Enola Holmes' movie during the afternoon of Monday 23rd October 2023.

I give permission for my child to watch Harry Potter and the philosopher's stone in the Summer term 2024

Signed _____ Date _____
