

Friday 17th November 2023

Dear Parent/Carer,

We would like to invite you into nursery to join your child for a Christmas Activity Workshop on **Tuesday the 5th of December** between 9.00 and 9.45 a.m.

On the day, children should arrive at their normal time and adults should arrive at 9.00 a.m. via the nursery front entrance. There will be four Christmas inspired activities for you to complete with your child and all resources required for these activities will be provided by the setting.

If your child does not normally attend nursery on a Tuesday morning, you are still welcome to bring them to this workshop with you at 9.00 a.m. We kindly request that any younger siblings are left at home.

If you cannot make this event, grandparents, aunties, uncles etc. are more than welcome to join us in your place. If no one will be accompanying your child, please let Mrs Caven know extra@leasowes.staffs.sch.uk so we can allocate the correct number of staff to these children on the day.

We encourage all families to come and join in the fun at this festive workshop therefore **we must limit places to one adult per child.**

We look forward to seeing you there.

Kind regards

The Nursery Team
