

Friday 26th January 2024

Dear Parents/Carers,

During the Summer term, the Nursery children will be learning about different types of amazing animals. To launch and enhance the learning of this topic, we have arranged for the 'ZooLab' to visit us on Thursday 21st March. They will be with us for the whole day and every child in Nursery and Reception will have the opportunity to interact with a range of animals through a hands-on experience in small groups. The Nursery workshop will be in the morning and will include exploring animal 'Senses and Textures'.

If your child does not usually attend Nursery on a Thursday morning and you would like them to visit the ZooLab, please bring them to the Nursery front entrance at 9:15a.m. and collect them again at 10:30.

To cover the cost of this experience, we will be asking for a cash contribution of £7.99 per child. Please complete the slip below and return via email no later than Friday 1st March. Payment should be made by bank transfer directly to Leasowes Extra, **not the school**, bank details are as follows: (these are the same as the account used for payment of nursery fees so you may already have these set up)

Co-operative Bank
Account Name: Leasowes Extra
Sort Code: 08-92-99
Account Number: 65307913

Please ensure you write 'Zoolab' and your child's surname as the payment reference and that you make a separate payment for this activity. Please do not add the cost of this visit to your child's nursery fees, thank you.

Yours sincerely

Miss Ashton
EYFS Phase Leader

EYFS ZooLab Experience – Thursday 21st March 2024

I am happy for my child to participate in the above activity Y / N and have paid the £7.99 contribution via bank transfer to Leasowes Extra (not school money).
