## Nursery Newsletter

Week beginning 26/02/24

'Supertato' by Sue Hendra

The value we are learning about this half term is:  
**Aspiration**

This week we will be:

- Learning all about healthy and unhealthy foods.
- Digging for potatoes in the woodland area
- Investigating different heights and lengths
- Transforming into superheroes
- Creating our own 'Evil Pea' masks

Please bring to school:

- A book bag (every day)
- A water bottle (every day)
- A waterproof coat (every day)
- A spare change of clothes (every day) (These can stay on your child's peg in a draw string bag)
- Nappies and wipes if required (every day)
- A packed lunch if required (Can we please advise you that we are a nut free school; no nuts or products that contain. No popcorn or skewers and grapes and cherry tomatoes must be sliced in half or quartered if very big, thank you.)

Other Information

Thank you for all of the holiday projects that have been returned this week, they are now on display in Nursery. **Wow**, some of you have been really creative!

If you have not already done so, please return your child's permission slip for the Zoo Lab visit and make your payment as soon as possible but no later than the 1<sup>st</sup> of March.

We are learning about vegetables next week, if you could send in one vegetable with your child for us to explore in nursery, that would be brilliant. The more unusual the better!
