# The Year Four Team

## Class teachers

Mr Locke

4L

Phase Lead

Mrs Croton

4C

## Teaching Assistants

Mrs Hodgens

4L

Mrs Leicester

4C

Miss Salem

4L

Mr Williams and Mrs Keen will also be covering staff's planning time – currently on Friday mornings.

Swimming will take place on a Friday during the school day.

Mrs Hollinshurst – Strings Wednesdays 4L until February; 4C thereafter.

# Year 4 Timings of the day

- 08:40 – 8:50 Gates open and children come straight in for morning work.  
This is carefully planned and sequenced to support children's TT learning.
- 08:50 – 09:00 Registration and lessons begin
- 10:40 – 11:00 LKS2 break time, break sales
- 12:00 – 12:50 Lunchtime
- 15:20 Home time via KS2 gate

Please help us to make a prompt start by ensuring your child is in school on time.

Currently, the corridor between KS1 and KS2 is being rebuilt therefore access between sites is more complex. Children arriving late after the gate has closed will impact other classrooms and their working environment so punctuality is of the utmost importance.

# Provisional dates for your diary

- Tempest Photographs: Wednesday 10<sup>th</sup> September
- KS2 Harvest – 8th October. LKS2 parents at 9.05am.
- Autumn Parents Evenings: 15th and 16th October
- INSET Day: Friday 24<sup>th</sup> October
- Christmas Dinner and Jumper Day: 10th December
- KS2 Carol Service: 15th December LKS2 parents at 9.10am
- Christmas INSET Day: 19th December
- Spring Parents Evenings: 4th and 5th February
- LKS2 Sports Day: 24<sup>th</sup> June, 1:45pm

Dates of Family Learning, Visits TBC

The school calendar on the website is updated regularly (under Parent News)

# Contact with school staff

- If you need to contact us then please put a message in your child's reading diary and encourage them to show us as diaries will only be collected in to change reading books on a Monday and Thursday.
- If your child is going home with another child or family, please ensure a message is sent into school as part of our safeguarding procedure.
- Catch one of us for a quick word at the end of the school day. If this is not possible, please contact the school office and we will arrange a convenient time to meet or talk.
- Please note, we endeavour to respond to all queries the same day; however on occasions when this is not possible, we will respond within 48 hours within the working week.
- Senior Leadership team open the gates each morning and are available should you need them at the beginning of the day.

# Parent Code of Conduct

At Leasowes, we truly believe that a positive and honest relationship between home and school is vital towards your child's education. Our Parent Code of Conduct, clearly states what we will endeavour to offer you and what we expect in return. These were signed last year and only need to be signed for once during your child's time at school. Please can we remind parents to follow our school values when using WhatsApp groups. The best way to sort out any queries is to contact school directly and we will endeavour to resolve quickly and efficiently.

As always, we thank you for your ongoing support.

## South East Stafford Academy Trust Parent Code of Conduct

At SESAT we value and understand the importance of building a strong and positive relationship with parents. This helps us to create a stimulating learning environment that will form a bridge of positive communication between school and home, therefore providing the children with the best opportunity to reach their full potential.

When working with parents, all staff are expected to follow SESAT policies and procedures, including the vision and values applicable to each given school. In addition to this, all teachers must abide by the 'Teachers' Standards, as set out by the Department for Education. Part two of this refers to Professional Conduct and included within this, teachers must 'treat people with dignity, building a relationship of mutual respect' and 'show tolerance and respect of others'. For positive relationships to build, we truly believe that this approach must work both ways.

### What the School will offer you:

- A vision and values that enable your children to flourish.
- A caring and safe environment.
- A professional and welcoming environment.
- Clear, prompt and appropriate communication between school and home.
- A point of contact appropriate to the concern.
- Staff who will empathise with a given situation.
- Staff who will listen to your concerns, take them seriously and approach them with integrity.
- Opportunities to interact with your child and their education within and outside of school.
- Strict confidentiality, including through social media.

### What we expect of you:

- Ensure that your child attends school every day possible.
- Ensure that your child is in school on time and that they are picked up at the right time at the end of day.
- That you treat and talk to the staff in the manner in which you would expect to be treated.
- Seek to clarify a child's version of events which includes the school's point of view.
- Support the school to enable the children to live by the school values and charter.
- Use any social media linked to school, including WhatsApp, in an appropriate and respectful manner.
- Never use defamatory or offensive language when discussing the staff of the school, online or offline.
- Understand that decisions made are for the good of all children.

Please note that there will be times when we get things wrong; we are, after all, human beings. Additionally, so are the children, who are learning their social norms every day. We will all make mistakes along the way, which we endeavour to learn from and put right wherever possible.

I understand the importance of adhering to the SESAT Parent Code of Conduct at all times and will endeavour to do so throughout my child's time at the school.

Name of my Child/ Children:	Signed (parents):	Date:

# Books, images and videos parental consent form

- Collaboration is at the heart of our teaching and learning
- We celebrate our learning with images of children working collaboratively
- We would like to celebrate learning with parents by sending some books home at the end of the year – permission has to be sought to do this
- Other photo/video permissions (e.g. X, website etc) are personal choice but we are careful with what, why and how we post and share images
- We need permission to take collective photographs
- Please contact your child's class teacher if you would like to change permissions.

# School Communication

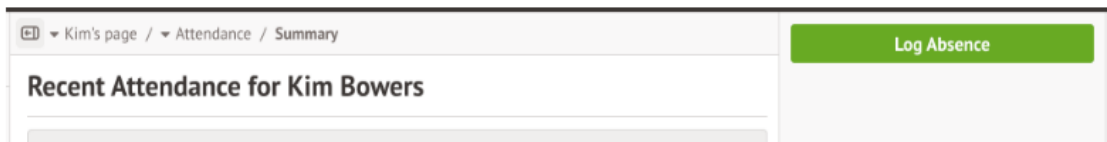

- All communication is now through the Arbor app or email – please make sure you have access
- Logging absence function

## Recording an absence

**Step 1** To record an absence, click on the **Quick Actions** button and then click **Attendance**.

**Step 2** From here, click the green **Log Absence** button in the top-right of the page.

**Step 3**

A screenshot of the "Log Absence" form. At the top, the title "Log Absence" is centered. Below the title is a light blue informational box containing the text: "This form lets you notify that Kim will be absent today, Tue, 02 Jul 2024. If you need to record an absence for a future date, you will need to contact the school." Below this box, the form fields are as follows: "Student" is "Kim Bowers"; "Date" is "Tue, 02 Jul 2024"; "Absence start\*" is a dropdown menu with "09:00" selected; "Absence end\*" is a dropdown menu with "15:45" selected; "Reason\*" is a text input field with the placeholder text "Please provide a reason for the absence". At the bottom right of the form are two buttons: a grey "Cancel" button and a green "Log Absence" button.

Please note: you must complete the reason for the absence for it to be accepted

# Timetable

## Typical Mornings:

Core Subjects: Reading/GPS, Writing and Maths.

## Typical Afternoons:

Science (Core Subject) + Geography, History, Art, Design & Technology, Computing, PSHE, PE and RE, Music, MFL and other wider curriculum activities.

**All children will begin the afternoon with reading time or time to improve mathematical fluency.**

- PE days: Swimming on a Friday, PE on a Wednesday afternoon.
- PE: Children must be able to remove earrings by themselves.
- All kits will be kept in lockers – we encourage that these are washed weekly.

# Curriculum Units

- Anglo-Saxons and Vikings
- Countries of the World and Europe
- Italy focus
- The Tudors (including local history at the Ancient High House, Stafford)
- Stratford-Upon-Avon study.

Knowledge organisers for each curriculum unit can be found on our website at Learning for Life – Curriculum – Year 4

# Year Group Targets

- Year 4 children are expected by the end of the academic year to be able to recite all of their times tables up to 12 x 12 within 6 seconds per question. At the end of the year, children will sit the statutory multiplication check.
- By the end of your child's time in Year 4, we are expecting them to have finished the Big Cat reading scheme and to be classed as a 'Free Reader'.
- All children should be able to write neatly and consistently using a pen in a cursive, joined style of writing by the end of their time in Year 4.
- Develop resilience to become confident, independent learners.

# Reading at Home

- Reading is vital and proficient reading ability is strongly linked to success in later life. Just a few minutes each day adds up! On average...

**20 minutes a day =**  
1.8 million words per year

**5 minutes a day =**  
282,000 words per year

**1 minute a day =**  
8,000 words per year

- Role model reading for pleasure at home – children see, children do.
- Reading supports children’s learning through fostering better attention, brain development and cognitive ability.
- Readers have better speech and language development and literacy skills. It also develops imagination, empathy and creativity.
- We are rooted in reading! Engage with Leasowes initiatives such as the reading newsletters, reading challenges and enjoy our library and classroom libraries.
- Children use reading diaries as a home-school communication tool and to record reading which is monitored by staff. Please ensure these are in school every day.

# How to help your child: reading

- Respond to a question using evidence from the text.
  - How do you know that some people found their behaviour unusual?
- Give the meaning of a word in context.
  - What does the word 'packed' tell you about the pool?
- Retrieve information
  - Find a word which rhymes with...
- Summarise main ideas from across paragraphs
  - Give an alternative title for a chapter
- Predict what might happen next.
- Compare one text to another.
- Give reasons for preferences of reading choices.

# How to help your child: writing

- Identify different parts of speech within a sentence (verbs, nouns, pronouns, prepositions, conjunctions...). This can be done while reading. 'Find me a noun.'
- Weekly spellings practised regularly (Please note that spelling books will not be sent home Spellings will be stuck in their diaries each week.)
- Use basic grammar accurately reflecting written standard English instead of local spoken forms (e.g. should have, would have)
- Encourage a joined, legible style of handwriting.

# Statutory Multiplication Check

- In the Summer Term, your child will sit the statutory multiplication check.
- The multiplication check assesses your child's knowledge and ability to recall all of the times tables up to  $12 \times 12$  in a timed manner.
- Your child will use a digital programme (on an ipad or laptop) to answer a variety of questions. Each question will present in a random order and they will have 6 seconds to answer the question. This is why we subscribe and use TT Rockstars as it is a similar format.
- For example, the first question could be  $4 \times 8$  where as the second question could be  $7 \times 6$ .

# Statutory Multiplication Check

- <https://urbrainy.com/mtc/test#>
- This is the programme that we will be using in the classroom to assess your child's knowledge and retention of the times tables.
- Once the children have answered the questions on the programme, it will then show you their results and highlight gaps in their knowledge.
- Please use this programme as much as possible to support your child.

A screenshot of a digital multiplication test interface. At the top, the equation  $8 \times 8 =$  is displayed next to a white rectangular input box. Below the equation is a calculator interface with a grid of buttons: a top row with 7, 8, 9; a second row with 4, 5, 6; a third row with 1, 2, 3; a fourth row with 0 and a pink 'C' (clear) button; and a large green 'Enter' button at the bottom. To the left of the calculator is a cartoon turtle holding a sign that says 'Question 1/25'.

# Homework

- Reading to be completed as often as possible.
- Spellings to be practised every week – tested on Monday and new spellings given following the test. Children have access to Spelling Shed to be able to practise.
- Other homework, usually Grammar or Maths, will be set on a Wednesday, in on the following Monday.
- Login details will be put in your child's diary for online resources such as TTRockstars and EdShed.
- If they are unsure we encourage them to ask before the due date!

# General

- Prepare for all weather! A coat is necessary as even when raining, staff will aim to get children outside during the day.
- Named water bottles containing water only, please.
- Please clearly name everything, including ties and sports kits.
- Educational visits are to be confirmed.
- Please note that we continue to be a nut-free school.

# Celebrate!

- House points
- Stickers
- Taking work to another teacher or a member of SLT.
- Celebration assemblies
- Rewards morning at end of each half term.
- Outstanding raffle tickets are given for consistent exemplary behaviour rather than individual excellent pieces of work.

As in all year groups, we have high expectations of behaviour and our school values are key to that. Children are expected to always follow our Leasowes Charter.

# Behaviour policy and sanctions

- Our behaviour policy was written to be linked to the school's values and Leasowes charter.
- Traffic light system used throughout school linked to the end-of-half-term activities morning. This aims to reward good behaviour – children who largely remain on green or above have priority when choosing activities.
- This is monitored in class, with children moving their names to indicate rewards and sanctions.
- Persistent or serious behaviour is referred through Phase Leader including AHT → Deputy Head → Head teacher. **Mr Locke is the LKS2 Phase Leader.**

# Pupil Premium

- **Pupil Premium Funding**
- At present, the number of families applying for Pupil Premium (also known as Free School Meals) funds at Leasowes has dramatically decreased. We feel that this may be due to families thinking that it is now unnecessary to apply, due to their child receiving a Universal Free School Meal in EYFS and KS1. **Pupil Premium eligibility is a separate set of funding that when applied for will provide the school with around £1300 per year that can be spent on interventions and resources that will directly impact your child's education.**
- You can register your child for Free School Meals (Pupil Premium) if you are in receipt of the following:
  - Income Support
  - Income-based Jobseekers Allowance
  - Income-related Employment and Support Allowance
  - Support under Part VI of the Immigration and Asylum Act 1999
  - The Guarantee element of State Pension Credit
  - Child Tax Credit, provided they are not entitled to Working Tax Credit and have an annual income (as assessed by HM Revenue & Customs) that does not exceed £16,190
  - Working Tax Credit 'run-on' - the payment someone may receive for a further four weeks after they stop qualifying for Working Tax Credit
  - If you would like any more information, please do not hesitate in contacting Staffordshire County Council on 0300 1118007, email [freeschoolmeals@staffordshire.gov.uk](mailto:freeschoolmeals@staffordshire.gov.uk) or apply directly through <https://apps2.staffordshire.gov.uk/web/fsmweb/>

# More Information

Please advise us of...

- Any updates on a medical condition that your child has (asthma, allergies...) Please ensure all care plans have been returned to school.
- Photo permissions updated. Note: children in positions of responsibility **especially Eco, Makaton, Safety First and Phonics buddies** require all permissions.
- **Calculation policy for maths** – now your child is in a new school year, this may impact calculations. The policy is located on the website under Learning for Life – Curriculum – MATHS.

# The Childhood Flu Vaccination Programme 2025

## 21<sup>st</sup> November Reception – Year 4 only

This vaccination is free. It is a quick and simple spray up the nose. Even if your child had it last year, they should have the flu vaccine again this year. The nasal vaccine is offered to children as it is more effective than the injected vaccine.

**You will receive a letter via school Email explaining this in more detail nearer the date.**

# Keep up-to date via our website

- School calendar and term dates
- Year group pages updated regularly by class teacher featuring detail on children's learning
- Curriculum information under Learning for Life
- Policies and other useful documents
- Links to useful resources for parents.
- Safeguarding and Wellbeing for pupils has some lovely resources to support different emotions
