

# Spring 2 Key Knowledge - Amazing Animals

## How do things in our world grow and change?

In the Early Years Foundation stage we want all children to acquire foundational knowledge alongside their phonic and mathematical knowledge. Below are the essential foundations we have identified our children need to have to succeed in the next stage of their education and in later life.

I understand why listening is important and can sustain my attention in different contexts.

I can describe some events in detail.  
I can ask questions to find out more.

I know some ways I can lead a healthy lifestyle such as: being active, healthy eating, good teeth hygiene and sensible amounts of 'screen time'.

### Literacy

I can sequence events to retell a story.  
I can identify different graphemes that each represent the same sound.  
I can read simple phrases and sentences.

### Reception

I understand the Leasowes Charter and try to behave accordingly.

I know about and recognise the signs of Spring.

I can explore the natural world, make observations and draw pictures of animals and plants.

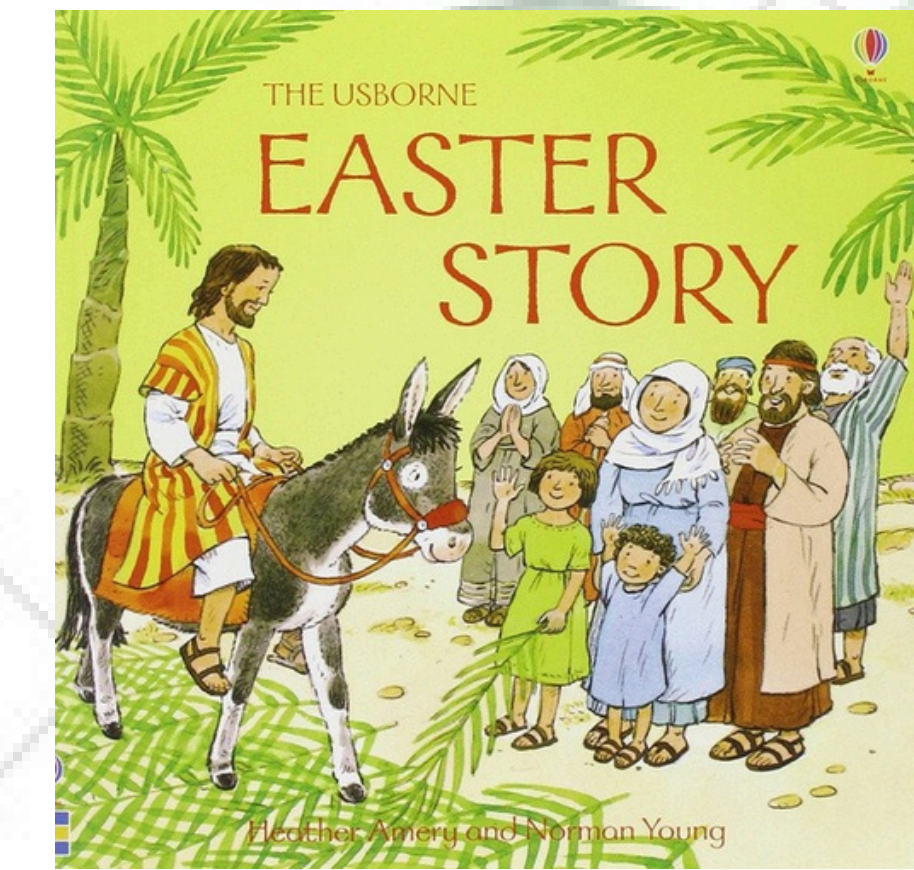

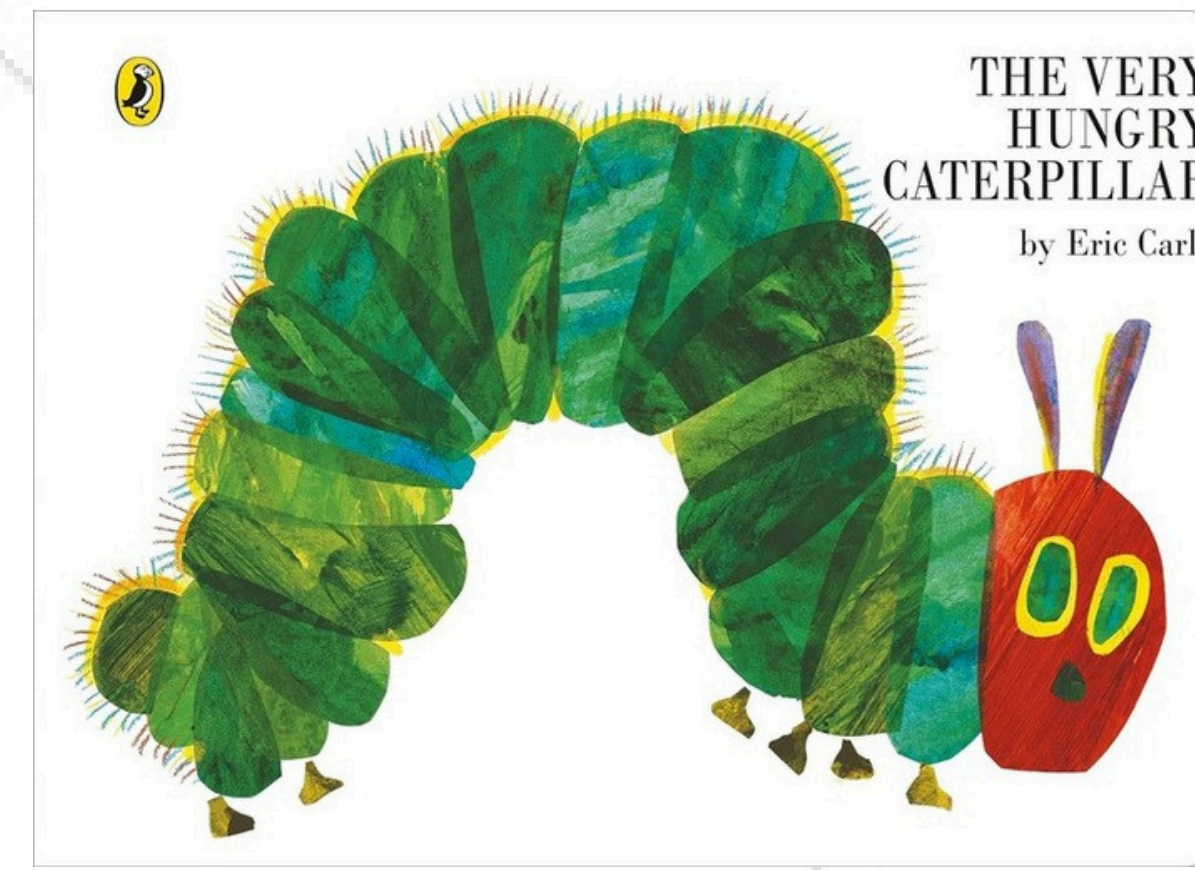

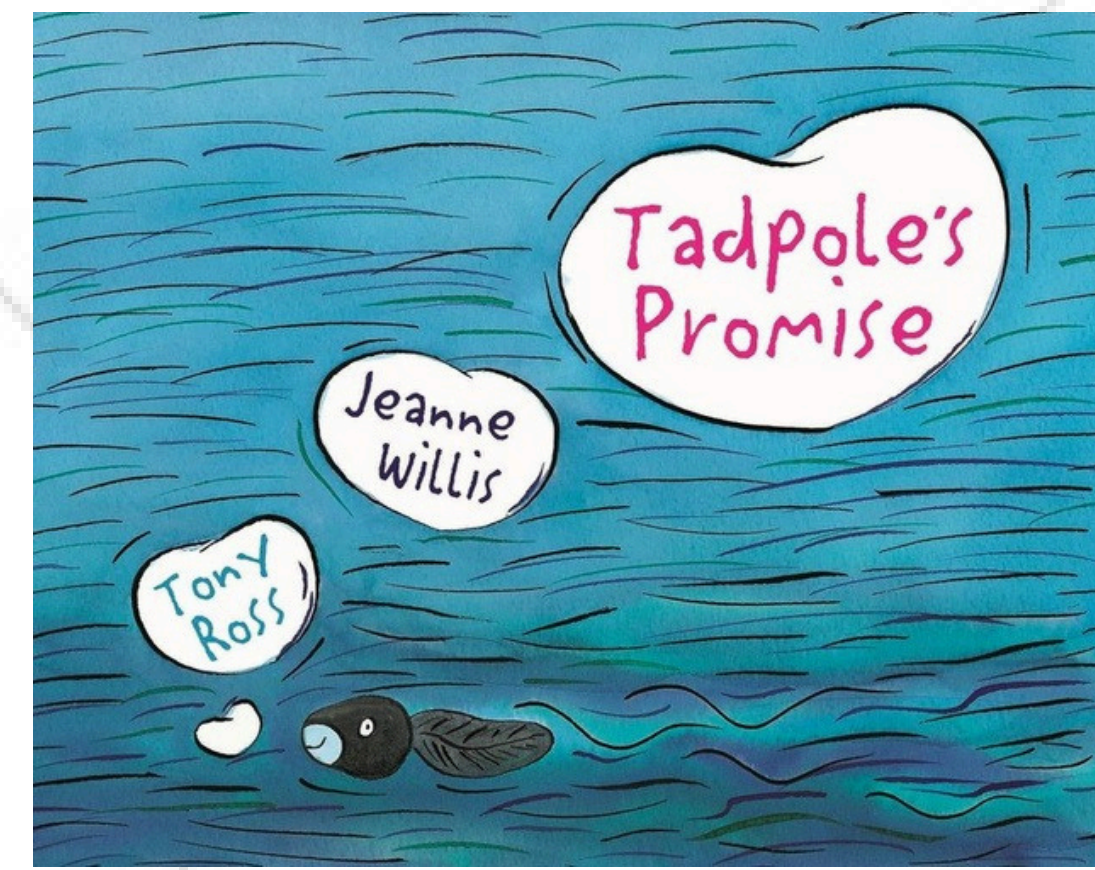

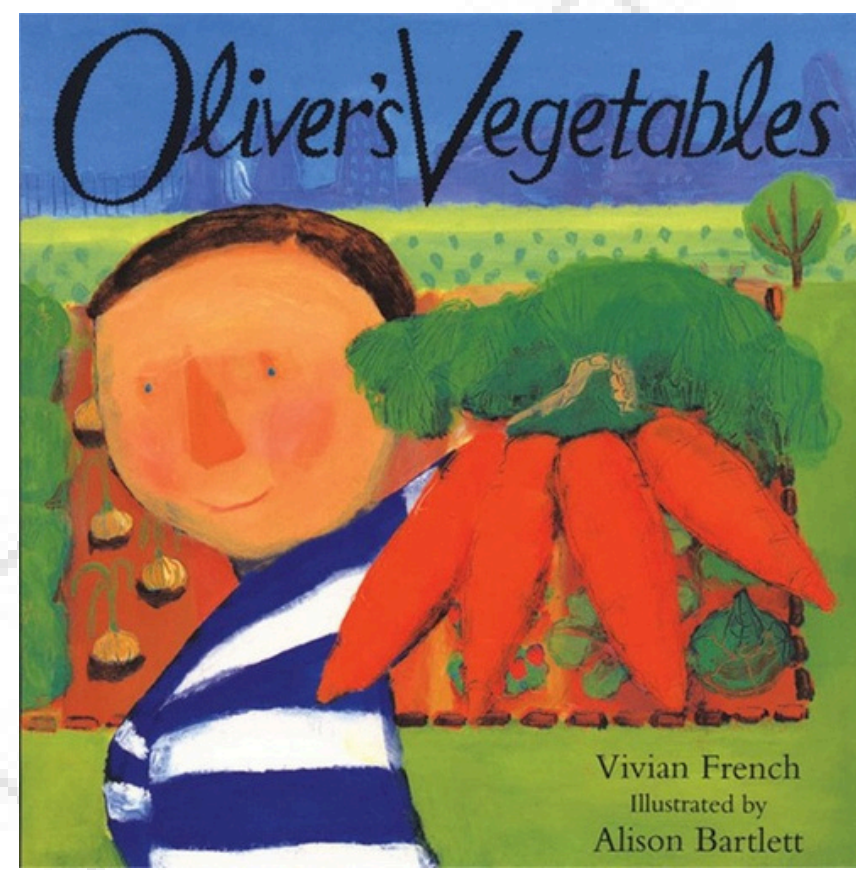

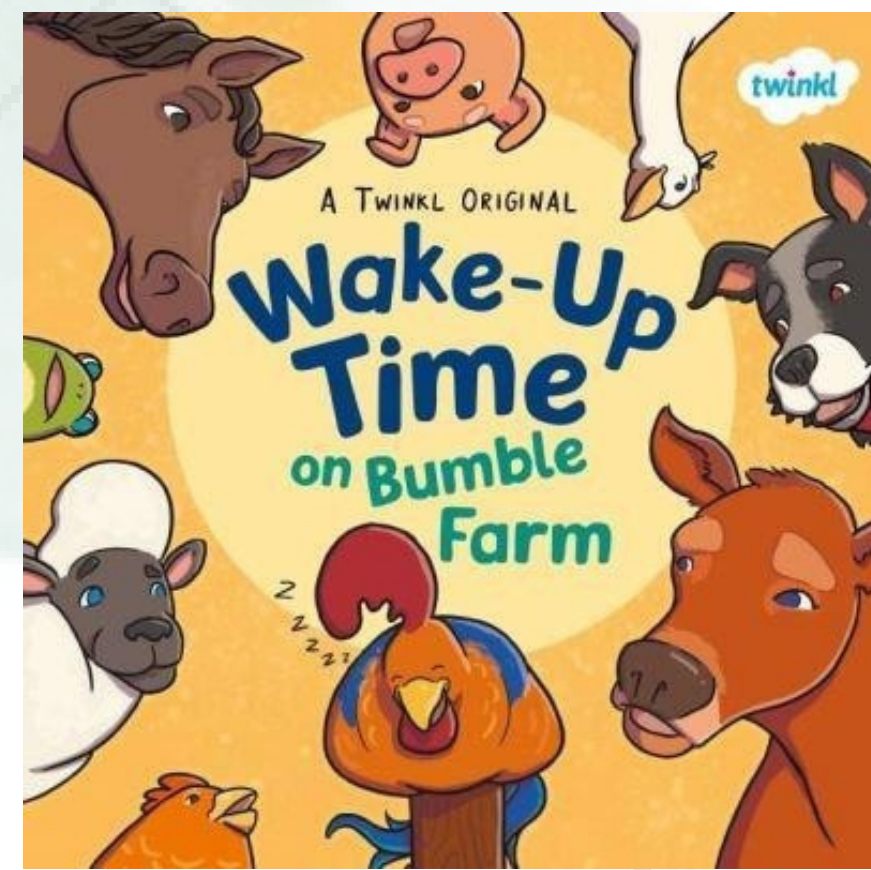

I can create a collage and portrait using artist inspiration.  
I can use tools such as knives and skewers to make fruit kebabs.

### Maths

I can explore the composition of numbers to 10.  
I know my number bonds to 5 and some to 10.  
I know some 3D shapes and can continue repeating patterns.

# Rooted in Reading

These books will help me to know and understand about different animals and how things grow and change.

## Our school value:

### Aspiration

I can aspire to be the best I can be.  
I can set and work towards my goals.  
'Aspire to Be, Future Me' – I am curious and interested in finding out about people within my own community.

## RRS (Rights Respecting School)

This half term, we will be teaching the children the first steps to rights with a focus on food, water and environment.

## Essential Vocabulary

I know the meaning of these words-

- Healthy
- Active
- Vegetables
- Aspiration
- Lifecycles
- Observe
