

Summer 1 Key Knowledge - Once Upon a Time...

Where will your imagination take you?

In the Early Years Foundation stage we want all children to acquire foundational knowledge alongside their phonic and mathematical knowledge. Below are the essential foundations we have identified our children need to have to succeed in the next stage of their education and in later life.

I can maintain my attention during different tasks.

I can describe events in detail.
I can articulate ideas in well formed sentences.

I can show resilience and perseverance.
I know how to be a kind friend.

Literacy
I can identify different graphemes that each represent the same sound.
I can write graphemes from memory and write a simple sentence using my phonics knowledge.

Reception

I understand the Leasowes Charter and try to behave accordingly.

I know about and recognise the signs of Spring.

I can compare characters from stories, including figures from the past.

I can design and make a musical instrument.
I can design and make a carriage for Cinderella.

Maths
I can explore numbers beyond 10.
I can recall some number bonds to 10.
I know some 3D shapes and can continue a repeating pattern.

Rooted in Reading

These books will help me to know and understand about different animals and how things grow and change.

Our school value:

Enjoyment

I can discuss activities I enjoy.

I show enjoyment in my learning and play.

RRS (Rights Respecting School)

This half term, we will be teaching the children the first steps to rights with a focus on cooperation and family.

Essential Vocabulary

I know the meaning of these words-

Enjoyment

Caring

Resilience

Perseverance

Past/present
