Snapshots of the Previous Week's Learning and Activities

We have been reading 'Have You Filled a Bucket Today?' We discussed how everyone has an invisible bucket that we carry around with us. When we are happy, the bucket is full, when we are sad it is empty. We can fill a bucket by being kind to others but when we make bad choices, we dip into our bucket and empty it. To promote kindness within the classroom, the children were invited to design a bucket and perform acts of kindness to fill their buckets.

Other Information

Next week we will be looking at the children's family photos. Thank you so much to those of you who have already brought a photo in. There are still some children who don't have one and we want to ensure every child feels included in this activity. If you are unable to send a family photo into nursery, please feel free to email one to extra@leasowes.staffs.sch.uk ensuring your child's full name is on the email.
