### Snapshots of the Previous Week's Learning and Activities

This week, we have been reading 'All Kinds of People'. We explored the idea that everyone is special and unique in their own way. We discussed what makes us different and why we should celebrate those differences. The children have enjoyed creating self-portraits, drawing pictures of their families, looking at their family photos and looking at the similarities and differences between their parents.

### Other Information

On Wednesday, we will be taking the children on an Autumnal walk around the school grounds. Please can you ensure your child has a pair of wellies in Nursery that can stay there until the end of this academic year. Please label each boot with your child's full name.

**We kindly request that children do not bring toys from home into Nursery. This is to ensure that their toys are kept safe and to prevent them from getting lost/broken.**
