### Snapshots of this Week's Learning and Activities

This week we have been reading 'The Enormous Turnip'. We brought the story to life, working together, to act out pulling the enormous turnip out of the ground. We have some stars in the making! We explored and investigated a variety of vegetables, looking closely at their shape, colour and texture. We've had lots of fun talking about harvesting vegetables and recognising the changes autumn brings. The children have also enjoyed planting their own cress seeds and are excited to watch them grow.

### Other Information

This is just a gentle reminder that library books need to be returned on a Wednesday. If your child does not attend Nursery on a Wednesday, we will change it when your child is in next. We cannot change your child's book until their previous one has been returned.

Thank you
