

**LEASOWES
EXTRA**

19th January 2026

Dear Parent,

I am writing to inform you of some essential work that needs to be carried out in the Nursery setting between 26th and 30th January 2026.

Unfortunately, we will not be able to use the Nursery building while this work is taking place. However, we fully recognise how important this provision is for our community and therefore we have made the necessary temporary arrangements to ensure we can remain open. During this period, Nursery will operate from the **Leasowes Extra provision on the KS2 site**. These measures will allow us to continue offering the service without interruption while the essential improvements are completed.

Drop-off and collection for the week beginning 26th January will be via the **pedestrian gate on the KS2 site** (further along Porlock Avenue). Please walk straight up the path to the **Leasowes Extra door** - this is the conservatory-style entrance for those who may be unfamiliar.

Children will be brought out to you at the end of their session. For collection/drop-off at lunchtime or during wrap-around care, the outer porch door will remain open during these times. Please use the bell or knock on the inner door to alert staff that you are waiting.

If your child attends wrap-around care, please note that we will not be offering warm snacks this week; an alternative healthy snack will be provided instead. For children attending before-school provision, please ensure they have breakfast before arriving, as only fruit will be available in the mornings. Please be reassured that snacks are provided free of charge, so there will be no additional cost to families.

Please rest assured that your child's learning, care and safety remain our highest priority. Nursery staff will be on hand to support any children who may find the change of environment challenging. This temporary move will be approached positively, helping children build resilience and confidence as they adapt to a slightly different environment.

If you have any questions, please do not hesitate to get in touch.

Thank you in advance for your continued support.

Kind regards

Mrs Caven
