

**LEASOWES
EXTRA**

Thursday 29th January 2026

Dear Parent,

I am writing to share an update on the essential works currently taking place in our Nursery classroom.

As is often the case with building projects, once work began, a few additional tasks were identified that needed to be completed first. Although this has delayed the original schedule, these additional steps will help to ensure the endurance of the work once completed.

In the meantime, the current arrangements in place for both Nursery and before and after school provision will continue. We are delighted with how well the children have adapted to their temporary surroundings and staff will continue to support them so that their routines remain smooth and positive.

We are hopeful that the works will be completed by half term. As soon as we receive a confirmed date, we will update you straight away to ensure you have plenty of notice.

If you have any questions, please do not hesitate to get in touch.

Thank you for your continued patience and support.

Kind regards,

Mrs. Caven
