Little Sunflower  
By Suzanne Fossey

The value we are learning about this half term is:  
**Collaboration**

The nursery rhyme we are learning about next week is:  
**The Wheels on the Bus**

Next week we will also be:

- Exploring the life cycle of a seed
- Drawing a still painting of a sunflower
- Looking for signs of Spring in the outdoor environment
- Making flower prints using different materials

### Snapshots of this Week's Learning and Activities

This week has certainly been a big adventure for the children! They have navigated their new surroundings amazingly well showing true courage and resilience. Our priority this week has been to ensure the children have felt safe and secure and we have spent time talking about our feelings and how change can make us feel. We are maintaining usual routines where ever possible to minimise any impact felt by the children and we will continue to support any children that are finding the move a bit tricky. Our new environment has enabled us to explore more of the school grounds than we typically would and as you can see from the photos, the children have really enjoyed playing on the KS1 playground and exploring the trim trail. We are very proud of them!

### Other Information

Could you please ensure that your child's belongings are clearly labelled with their name especially jumpers, cardigans and water bottles. We do our best to ensure your child has all their things with them at home time but this is extremely difficult when items aren't labelled and this results in a lot of belongings going home with the wrong child. Thank you.
