The Great Race
By Emily Hiles

The value we are learning about this half term is:
Collaboration

The nursery rhyme we are learning about next week is:
The Wheels on the Bus

Next week we will also be:

- Learning all about Chinese New Year and why we celebrate it
- Tasting traditional Chinese Food
- Making a Dragon's Head for our Dragon Dance

Snapshots of this Week's Learning and Activities

This week we have been reading the story 'Little Sunflower', learning all about the life-cycle of a seed. It has been wonderful to hear the children discuss the changes of a sunflower and what it needs to grow. The children have also been participating in 'sunflower' themed activities linking these to the story; how to draw a sunflower, looking for signs of Spring in our environment and creating a still painting of a Sunflower. There has been some amazing art work! We have also reflected on our previous learning and incorporated this into our PE lesson. The children pretended they were in space and had to jump and roll from planet to planet. They showed real courage.

Other Information

Library books need to be collected in next week before the half term break. Can all children please return their books before Friday; if you're unsure of the title your child currently has, please ask a member of staff who will be able to find out this information for you.

As soon as we know when the essential works in Nursery will be complete, Mrs. Caven will contact all parents to advise; please remember to check your emails each day.
