The Pets You Get
By Adrian Reynolds and Thomas Taylor

The value we are learning about this half term is:
Aspiration

The nursery rhyme we are learning about next week is:
Ring-a-Ring-a-Roses

Next week we will also be:

- Identifying which animals are pets and which are not
- Understanding how to care for and look after our pets
- Learning the Makaton signs for different pets
- Sharing our Home Learning with our friends

Snapshots of this Week's Learning and Activities

This week, we have been learning about Chinese New Year. It has been wonderful to show the children how the people of China celebrate this occasion by decorating their houses, sharing food with loved ones, making lanterns and watching the Dragon and Lion dances. During the week, the children created a dragon's head which they used for their own Dragon Dance on Thursday. We used the colours red and yellow to symbolise luck. The children also had the opportunity to try some Chinese food; it was great to see so many empty plates! On Friday, we wore something we love to Nursery and the children participated in Valentine's Day themed activities.

Other Information

This week, the children have brought home a 'Home Learning' task to complete over the half term holiday. It would be wonderful if you could complete this activity with your child and return it during the first week back so they can share it with their key worker group.

We hope you all have a wonderful half term break!
