Snapshots of this Week's Learning and Activities

We have had a super busy week this week. Our learning intent this week is all about bees with a link to minibeasts. We started the week understanding why bees are important for the environment. On Tuesday, we put on our wellies and went on a bug hunt in the woodland. We found lots of insects including a slug, spiders and ladybirds. On Wednesday afternoon, our first duckling hatched. It was wonderful for the children to witness a new life coming into the world.

Other Information

If your child is bringing money to spend at Leasowes Fundraising Day on Thursday, could you please put this in a named bag/container and hand it to a member of staff for safe keeping when you arrive at nursery that morning; 20p, 50p and £1 coins only please. Any money for non-uniform day should be handed in separately. Thank you.
