Snapshots of this Week's Learning and Activities

This week, we have been reading 'The Hospital Dog'. In the story, the children are sad about being in hospital. This opened up discussions about how we might feel if we were hurt and had to stay in hospital too. We also talked about the role of a Doctor, a Nurse and a Paramedic and how they care for others. As part of our role-play activities, the children explored different scenarios, using bandages and plasters to care for their friends and teachers. On Wednesday, we went onto the KS1 playgroud where the children created wonderful pieces of art, drawing people who help us and emergency vehicles.

Other Information

Could we please ask that your child does not have an excess number of keyrings on their book bags as this prevents them from being able to close their drawer.
