

Leasowes Primary School

Tuesday 5th May 2026

Dear Parent / Carer,

Next half term, during our 'New Brighton' unit, we will be learning about different sculptors and sculptures in art. To enrich the children's learning, we will be welcoming an artist into school to complete 2 sessions with the children where they will be creating a sculpture out of plastic bottles that will be inspired by sea life and the beach. The cost of this enrichment activity will be funded by school. With a focus on using recyclable materials, we will be linking our learning to the important subject of how we can reduce the amount of plastics and rubbish in the oceans.

We kindly request that children bring in plastic bottles, similar to those in the image below, to support this unit of work. The children will need to bring these into school on **Monday 1st June**. The children will be working in groups to create a collaborative sculpture so we would appreciate as many donations as possible.

If you have any questions, please do not hesitate to ask us at the end of the school day.

Thank you for your continued support.

Kind Regards,

Mrs Dodd, Mrs Thomas, Mrs Gee

Year 2 Class Teachers
