Snapshots of this Week's Learning and Activities

This week, we have been reading 'We're Going to the Dentist'. The children have enjoyed talking about their experiences of being at the dentist, particularly the big stickers at the end! It has been wonderful to see their real life experiences being applied to their learning through role play. In addition to this, we have been learning about healthy and unhealthy foods. On Thursday and Friday the children had the opportunity to make their very own healthy snack, a cucumber sandwich. They did very well at listening and following the instructions.

Other Information

Could you please ensure that your child's library book is returned every week on a Wednesday. If your child does not attend nursery on a Wednesday, please ensure they return their book the next day they are in. Unfortunately, we cannot issue your child with another book to take home until the previous book has been returned.
