### Snapshot of this Week's Learning and Activities

This week we have been reading 'The Storm Whale'. The children have been really inquisitive about this particular subject. In the story, Noi finds a whale washed up on the shore after a storm. We told the children that this is something that occurs in real life. We found some videos on YouTube of people helping to get the whales back into the ocean. This sparked a lot of role-playing opportunities, with some children pretending to be whales while the other children rolled them back into the sea. In addition to this, the children have enjoyed writing letters to the whale, creating an under the sea collage based on the work of Henri Matisse and so much more!

### Other Information

Some children are still coming into the setting without a coat. As the weather is very unpredictable just now, could you please ensure that your child brings a coat to Nursery every day. Thank you.
