Sharing a Shell
By Julia Donaldson

The value we are learning about this half term is:
Love

The nursery rhyme we are learning about next week is:
Row, Row, Row Your Boat

Next week we will also be:

- Using our senses to see what we can see/hear/feel at the seaside
- Exploring and comparing different shells
- Participating in our Sports Day event

Snapshots of this Week's Learning and Activities

This week we have been reading 'Fidgety Fish' and have explored all different types of sea creatures. Throughout the week, the children have been busy exploring rock pools, finding messages in a bottle and decoding the words and fishing for different numbered fish. The children got very competitive to catch all 10 before their friends! In the maths area, the children have been creating repeating patterns and in the Woodland area this week, the children have been walking the plank! The children have also been hard at work creating something special for Father's Day, Dad's, no peaking in their book bags until Sunday!

Other Information

Library books need to be collected in by the 3rd of July to allow the library staff time to ensure all books are accounted for before the school holidays. If you are going to be on holiday during that week, could you please ensure your child's library book has been returned before you go. Thank you.
