

**LEASOWES
EXTRA**

22nd June 2026

Dear Parents

On Wednesday, the 1st of July, the Nursery children will be having their Stay and Play sessions in the Reception class. This is an accompanied session for you and your child. You should have already received full details about this, along with the time of your session.

Children who do not normally attend Nursery on the above day and session time should arrive at the front gate with their parent in time for the start of their Stay and Play session.

If your child usually attends Nursery on a Wednesday and they will be in the setting during their Stay and Play session time, they should arrive for Nursery at their normal time and parents should return later to collect them from us before joining this session together.

Please collect your child from the Nursery front entrance on your way in and return them to Nursery via the same entrance on your way back out. It is your responsibility to return your child to us, if any children are not signed back in, we will assume that they have gone straight home with you.

If you are unsure about any of the above arrangements, please contact me to clarify.

Kind regards

Mrs Caven
