Snapshots of this Week's Learning and Activities

This week we have been reading 'Shark in the Park'. The children have loved listening to the story and joining in with the repetitive parts. Just like the character, they made their own telescopes too. On Friday, we heard that there was a shark in the classroom, so the children got their telescopes at the ready and searched high and low. There were a few close calls but at the end of the hunt, they found the shark! Argh! Luckily it was just pretend. The children have also enjoyed engaging in lots of other shark themed activities throughout the week as well as participating in our in-house Sports Day. The children were fantastic and received a sticker and certificate! Well done Nursery!
