

Summer 2 Key Knowledge - The Great Outdoors /Journeys

Where would you go on your adventure?

In the Early Years Foundation stage we want all children to acquire foundational knowledge alongside their phonic and mathematical knowledge. Below are the essential foundations we have identified our children need to have to succeed in the next stage of their education and in later life.

I can listen and respond with relevant questions, comments, or actions.

I can express my ideas and feelings with growing confidence.

I am able to identify and moderate my own feelings.

Reception

I know about and recognise the signs of Summer.

I know how to care for seeds and will help look after the outdoor environment.

Past, present and the future – I can create a family tree.
I can discuss the different stages of life.

Literacy

I can identify different graphemes and read sentences consistent with my phonics knowledge.

I can write simple sentences that can be read by others.

I understand the Leasowes Charter and try to behave accordingly.

Maths

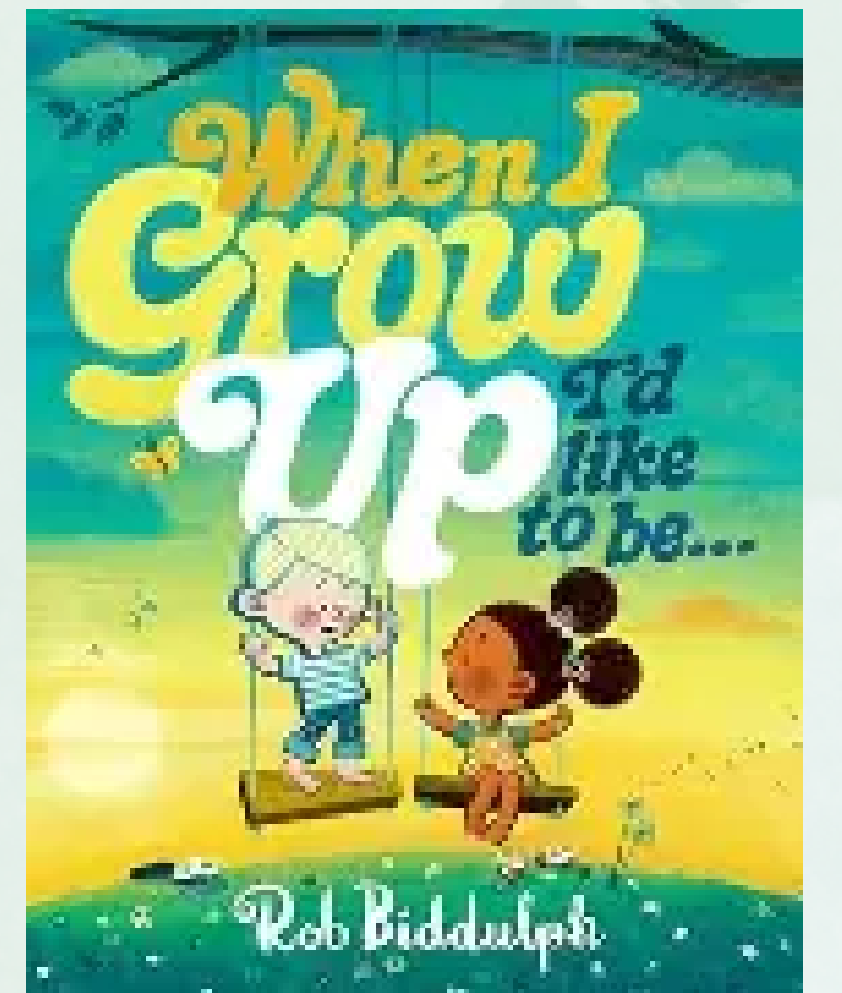

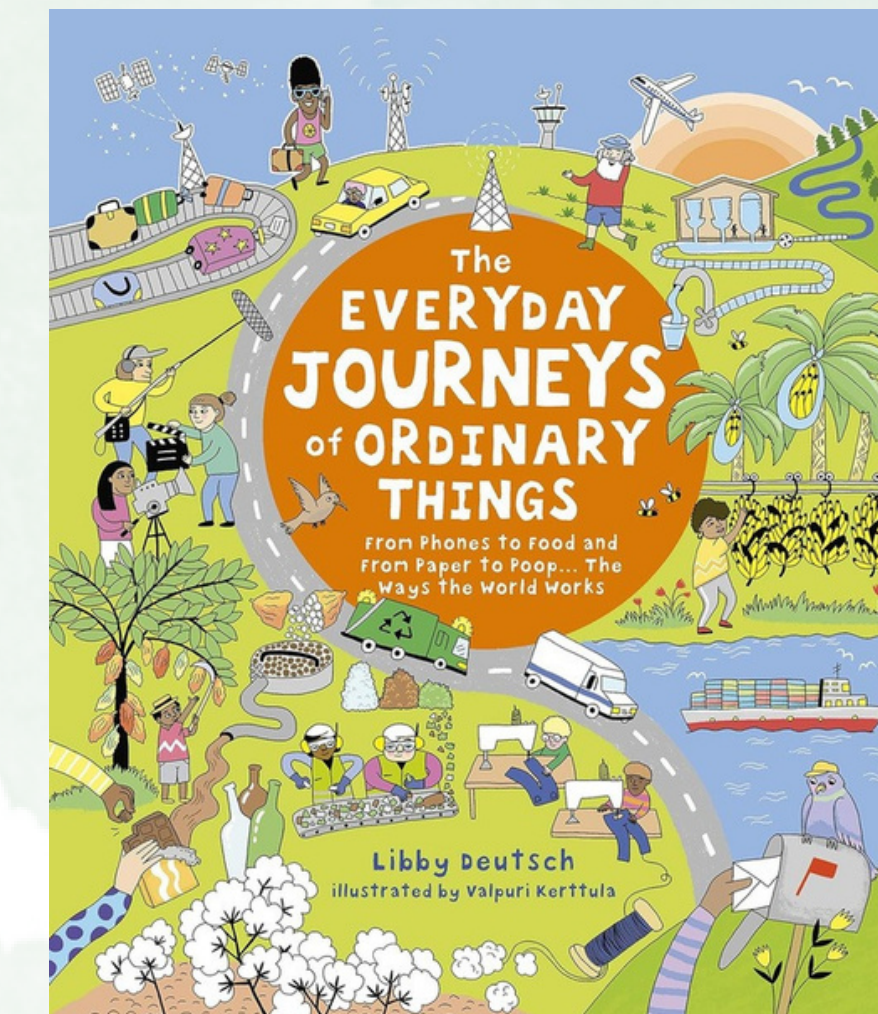

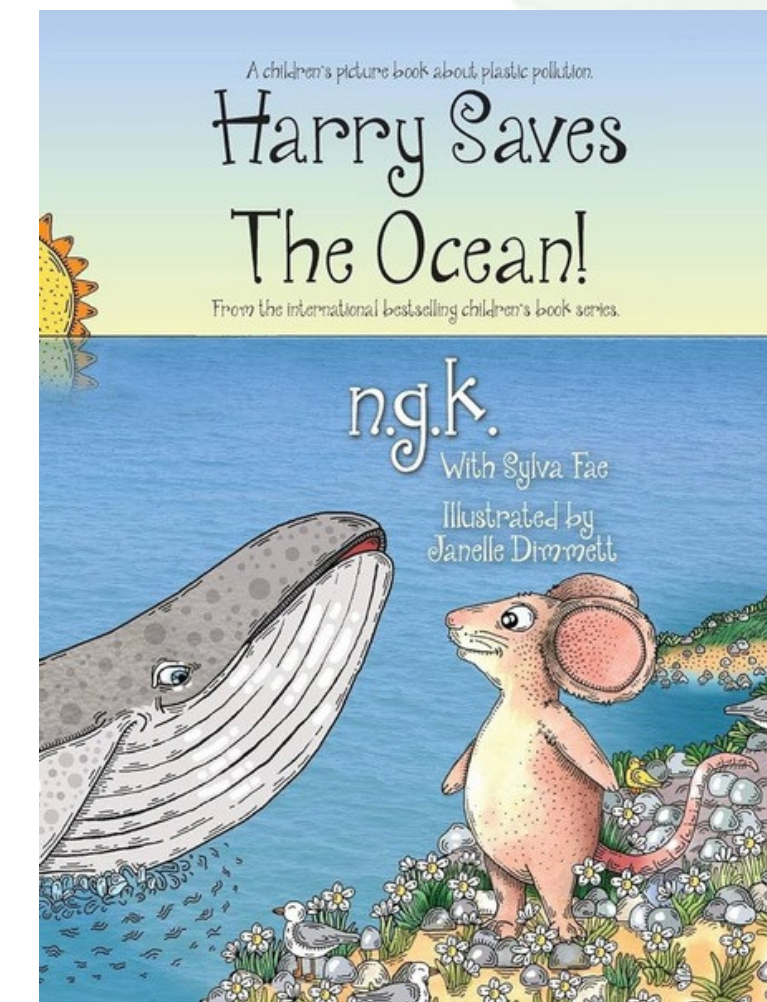

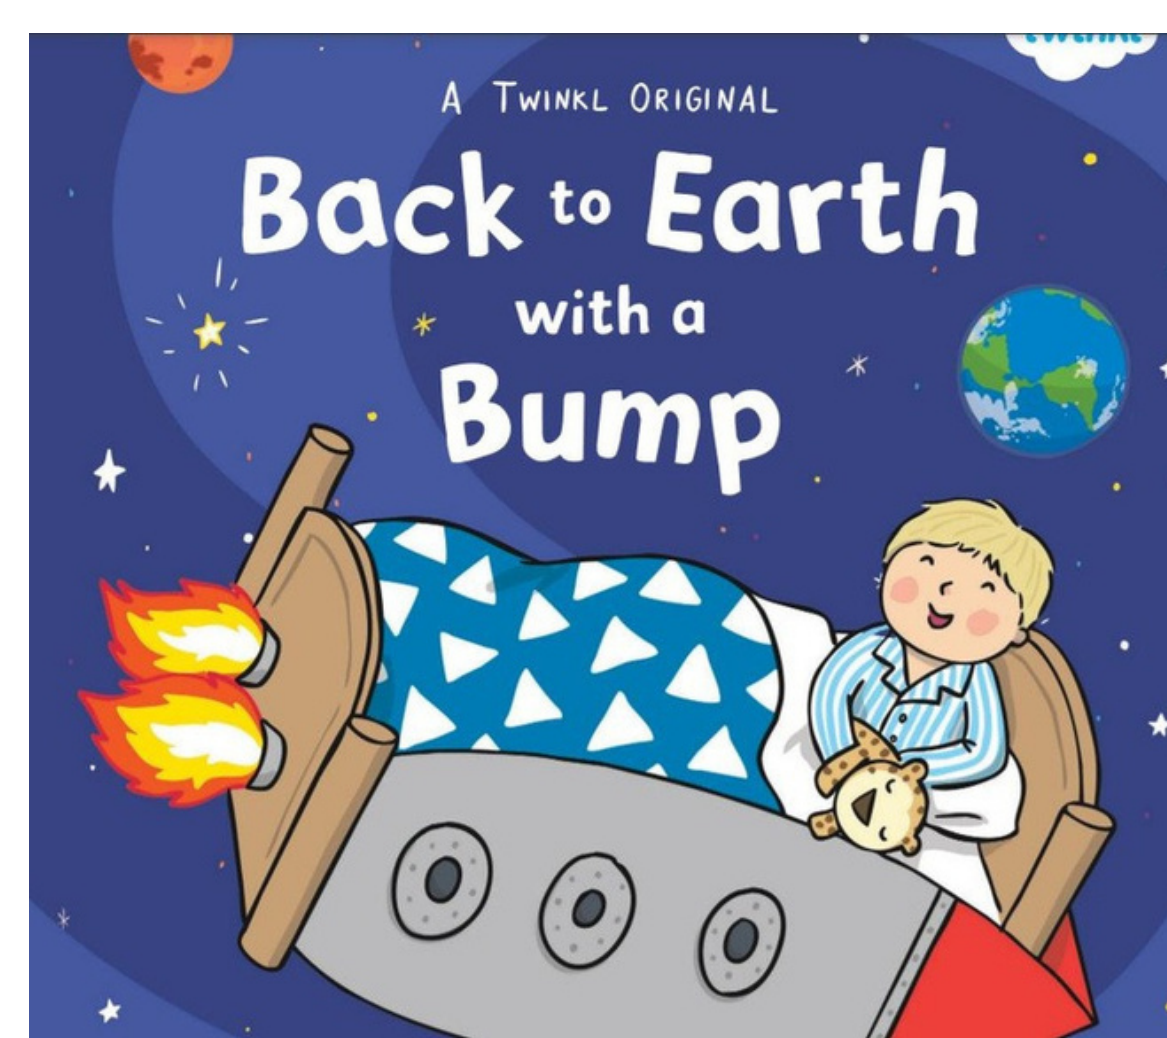

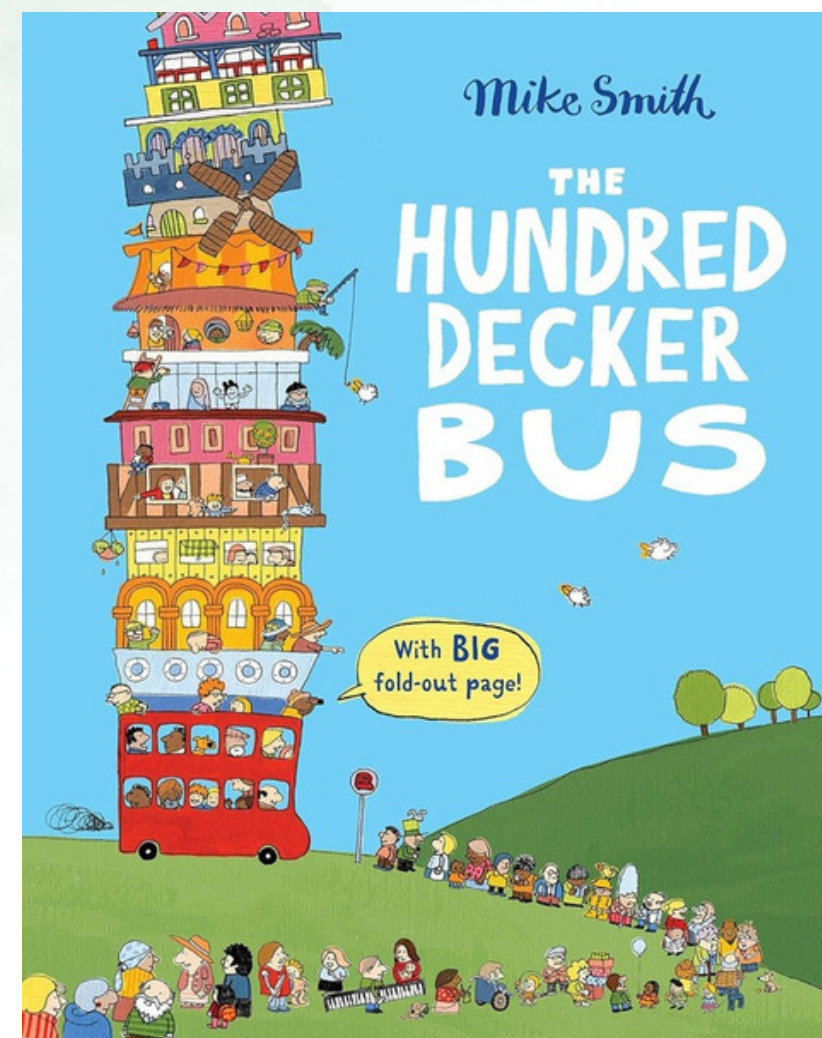

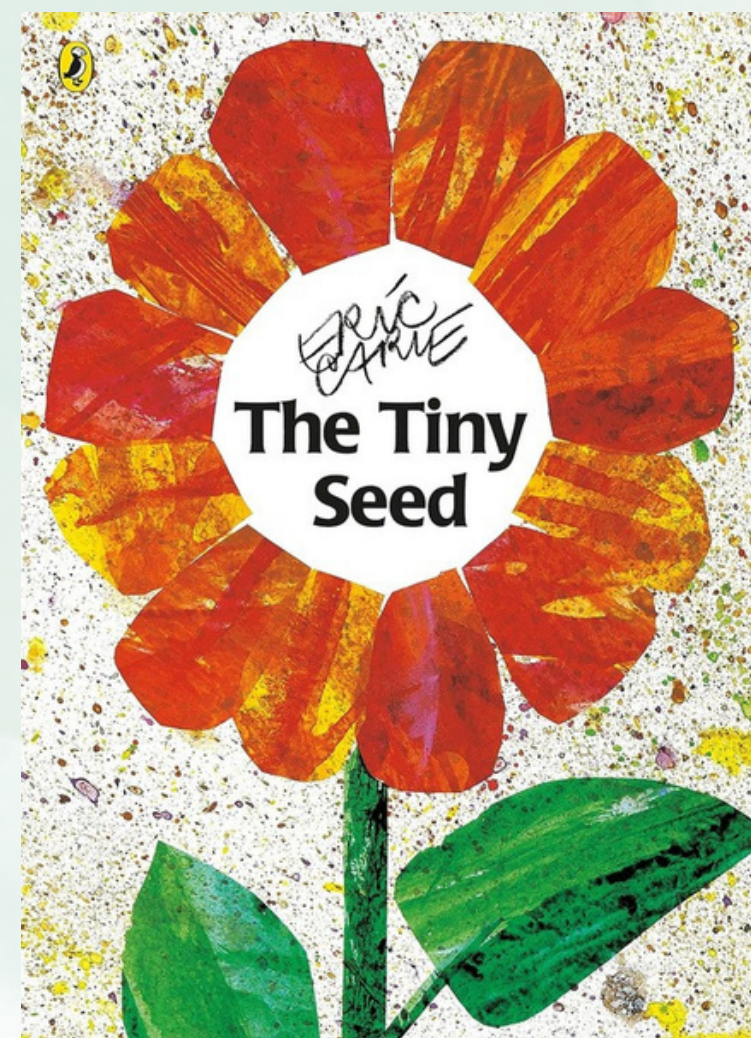

I have a deep understanding of numbers to 10, including number bonds.

I can recognise patterns of the counting system.

I can identify odd and even numbers and can share amounts into groups.

Rooted in Reading

These books will help me to learn about the great outdoors and journeys.

Our school value:

Love

I show curiosity about the world around me.

I demonstrate a true love of learning.

RRS (Rights Respecting School)

This half term, we will be teaching the children the first steps to rights with a focus on safety.

Essential Vocabulary

I know the meaning of these words-

Love
Plants
Growing
Changing
Seasons
