Nursery Newsletter

Week beginning 14.09.26

The Colour Monster
by Anna Llenas

The value we are learning about this half term is:

Respect

The nursery rhyme we are learning about this week is:

Baa, Baa, Black Sheep

This week we will also be:

- Learning about our feelings and emotions
- Learning the different Makaton signs for different colours/emotions
- Making a colour jar collage
- Going for a walk in the local community

Snapshots of the Previous Week's Learning and Activities

We kick started our first full week of learning with the story 'My First Day at Nursery School'. The children have enjoyed engaging with the activities linked to the story such as shape sorting, playing in the role play area and creating their first painting. We have enjoyed looking at the children's proud clouds together. This has allowed the staff and children to learn more about each other.

Other Information

The children have really impressed us with how independent they have been when entering Nursery. This has enabled them to settle at an activity really well, allowing us to start the day efficiently. Next week, could you encourage your child to enter Nursery on their own; there will be a member of staff available in the cloak room area to help your child with their belongings. This will support the children to become more independent and familiarise themselves with Nursery routines.
