

Leasowes Primary School

16th September 2026

Dear Parents/Carers,

As part of our current teaching unit, 'Anglo-Saxons and Vikings', Year 4 will be inviting **one parent/carer** to come and join us in part of our lesson sequence where we will be teaching sculpting, moulding and joining malleable materials. Due to space in the hall and the nature of the activity planned, **1 adult per child** is invited to join us for this event. Please bring clothes you will not mind getting messy with you as we will be working with clay. Children will not need to bring anything else as we will resource the lesson as normal.

Please do not worry if you are unable to attend as your child will still participate and will be supported by an adult from school.

The event will be held from **9.15am until 10.30am** on **Friday 16th October 2026** in the Key Stage 2 Hall. Entrance will be through Leasowes Extra.

With thanks for your continued support,

Mr Locke, Mrs Gee and Mrs Thomas
