Snapshots of the Previous Week's Learning and Activities

This week, we have been reading 'All Kinds of People'. We explored the idea that everyone is special and unique in their own way. We discussed what makes us different and why we should celebrate those differences. The children have enjoyed creating self-portraits, drawing pictures of their families, looking at their family photos and looking at the similarities and differences between us.

Other Information

Next week, the children will be taking part in a fruit tasting activity as part of our learning about our senses. We will be trying kiwi, watermelon, lemon, melon, pineapple, blueberries and strawberries. If you do not wish your child to try any of these fruits, please speak to a member of staff. We will also be visiting the local community to complete a listening walk, encouraging the children to listen carefully to the sounds around them and discuss what they hear.
