Snapshots of the Previous Week's Learning and Activities

This week, the children participated in their first performance in nursery. I'm sure you will all agree that they did a brilliant job singing and signing to the Harvest songs. We are so proud of them all!

We have also been reading 'My 5 Senses' and having lots of discussions about what our senses are. Each day we have focused on a different sense and completed various activities including a listening walk, smelling different aromas, a science experiment and a taste test.

Other Information

As part of our topic next week, we will be exploring and learning about a variety of vegetables. If you would like to support our learning, we would really appreciate any donations of fresh vegetables; **one vegetable per child** please. Thank you for your support!

If you are claiming 30-hour funding, please ensure you revalidate your eligibility with HMRC every three months and as soon as they prompt you to do so, thank you.
