- Making our own Diva lamps
- Looking at different animal footprints
- Learning about Bonfire Night

Snapshots of the Previous Week's Learning and Activities

This week, our focus has been on the story **'Funnybones'**, with learning linked to the theme of Halloween. The children thoroughly enjoyed engaging in a variety of practical and imaginative activities inspired by the story. They have enjoyed making potions, rebuilding skeletons and exploring the language of size as they compared different bones. They used vocabulary such as *big*, *small*, *long* and *short* and were highly engaged in the hands-on activities linked to the story.

Other Information

If you haven't already, could you please ensure that you child has a named pair of pumps and wellies in Nursery (please remember to put your child's name in each shoe/boot). Your child **does not** need a PE kit or a puddle/wet suit.

As the weather is getting colder, please ensure your child comes to Nursery with a warm, weather-appropriate coat every day.

The school library system will resume after the holidays, children will not be bringing a library book home over the half-term break.

Dates for your diary
